

a few things
you'll need
to live the
co-ed life

1. Erasers. For big mistakes.
You're going to make some.

2. Tic Tacs. Never know who you'll
sit next to in class. Be prepared.

3. Starbuck cards. For long study nights.

4. Energy shots. For even longer
all-nighters.

5. Pens to take notes. Note: not
everything important will be learned
in class.

6. "Fun" money. Everyone needs some.

7. Painkillers. For mornings after using
your "fun" money.

Congrats, Grad!
